

Crocheted Peekaboo Hat

Introducing the Peekaboo Hat, a fun and funky accessory designed to make a statement! This intermediate-level pattern showcases the playful Peekaboo Stitch, adding texture and flair to a unique design. Worked as a flat rectangle, the hat is stitched up the side and gathered at the top, creating its signature slouchy silhouette. While written as a one-size sagging hat, it can easily be adjusted for a more fitted look to suit your style. Whether you're crafting for yourself or a loved one, the Peekaboo Hat is the perfect project for adding a bold and creative touch to any wardrobe!

- Continue this way until the entire side seam is completed.
- For the top edge, pull yarn through every two stitches, for a total of 25 loops on the hook.
- Pull yarn through all 25 stitches.
- Weave in loose ends.
